**Recommendation(s):** To approve policy 421 Admission to Kindergarten and First Grade.

**Purpose:** This policy and guidelines have been revised to include current procedures. This policy has been reviewed by the Executive Director of Curriculum and the Policy Committee and Policy Committee.

**Background:** This policy and guidelines will replace our current policy and guidelines 421 Admission to Kindergarten and First Grade which was approved in October 2012. An additional guideline was added for Questions and Answers to assist parents in understanding the procedures for admission. Charts have been included in both guideline 1 and 3 outlining the evaluation tools that will be used by the District to evaluate for admission.
