

General Personnel

Staff Development Program¹

The Superintendent or designee shall implement a staff development program. The goal of the program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for licensed staff members shall be designed to effectuate any School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

Abused and Neglected Child Reporting Act (ANCRA) and Erin's Law Training

The staff development program shall include the Abused and Neglected Child Reporting Act (ANCRA) mandated reporter training and training on the awareness and prevention of child sexual abuse and grooming behaviors (*Erin's Law*) as follows (see Board policies 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*, and 5:90, *Abused and Neglected Child Reporting*):²

1. Within three months of employment, each staff member must complete mandated reporter training from a provider or agency with expertise in recognizing and reporting child abuse. Mandated reporter training must be completed again at least every three years.
2. By January 31 of every year, all school personnel must complete evidence-informed training on preventing, reporting, and responding to child sexual abuse, grooming behaviors (including *sexual misconduct* as defined in *Faith's Law*), and boundary violations.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹ State or federal law controls this policy's content. A school board may set and enforce professional growth requirements. 105 ILCS 5/24-5. Failure to meet professional growth requirements is considered remediable. *Morris v. Ill. State Bd. of Educ.*, 198 Ill.App.3d 51 (3rd Dist. 1990).

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right.

105 ILCS 5/2-3.62 requires the Ill. State Board of Education (ISBE) to establish a regional network of educational service centers to coordinate and combine existing services in a manner that is practical and efficient for schools. Their purposes are to provide, among other things, continuing education, in-service training, and staff development services to all local school districts in Illinois.

² 325 ILCS 5/4(j); and 105 ILCS 5/10-23.13 (*Erin's Law*). Sexual misconduct under *Faith's Law* is defined in 105 ILCS 5/22-85.5(c).

Mandated reporter training may be in-person or web-based and must include, at a minimum, information on the following topics: (1) indicators for recognizing child abuse and child neglect; (2) the process for reporting suspected child abuse and child neglect and the required documentation; (3) responding to a child in a trauma-informed manner; (4) understanding the response of child protective services and the role of the reporter after a call has been made; and (5) implicit bias. *Implicit bias* means the attitudes or internalized stereotypes that affect people's perceptions, actions, and decisions in an unconscious manner and that exist and often contribute to unequal treatment of people based on race, ethnicity, gender identity, sexual orientation, age, disability, and other characteristics. The implicit bias topic must include, at a minimum: (1) information on implicit bias; (2) information on racial and ethnic sensitivity; and (3) tools to adjust automatic patterns of thinking and ultimately eliminate discriminatory behaviors. 325 ILCS 5/4(j). Districts must provide mandated reporter training through either the Ill. Dept. of Children and Family Services (DCFS), an entity authorized to provide continuing education through the Dept. of Financial and Professional Regulation, ISBE, the Ill. Law Enforcement Training Standards Board, the Ill. State Police, or an organization approved by DCFS to provide mandated reporter training. *Id.* *Child-serving organizations*, which are not defined in ANCRA, are "encouraged to provide in-person annual trainings." *Id.*

In-Service Training Requirements

The staff development program shall provide, at a minimum, within six months of employment and renewed at least once every five years thereafter (unless required more frequently by other State or federal law), the in-service training of all District staff who work with pupils on:³

1. Health conditions of students,⁴ including but not limited to training on:
 - a. Anaphylactic reactions and management, conducted by a person with expertise on anaphylactic reactions and management;
 - b. Management of asthma, prevention of asthma symptoms, and emergency response in the school setting;
 - c. The basics of seizure recognition and first aid and emergency protocols, consistent with best practice guidelines issued by the Centers for Disease Control and Prevention;
 - d. The basics of diabetes care, how to identify when a diabetic student needs immediate or emergency medical attention, and whom to contact in case of emergency;
 - e. Current best practices regarding identification and treatment of attention deficit hyperactivity disorder; and

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³ This list of in-service trainings is required by State law but only Nos. 4, 5(d), and 7 are required to be specified in board policy. 105 ILCS 5/10-22.39, amended by P.A.s 103-41, 103-413, 103-542, and 103-603, requires all teachers, administrators, and school support personnel to complete these trainings during an in-service training program conducted by their board or through other training opportunities, including institutes provided by regional superintendents and intermediate service center executive directors under 105 ILCS 5/3-11, amended by P.A.s 103-542 and 103-413. If teachers, administrators, or school support personnel obtain training outside of an in-service training program or from a previous school employer, they may present documentation showing current compliance to satisfy the requirement of receiving training within six months of first being employed. *Id.*

Different from the in-service training that school districts must provide to their staff, 105 ILCS 5/3-11, amended by P.A.s 103-542 and 103-413, contains requirements that the regional superintendents and intermediate service center executive directors must include during institutes for teachers, administrators, and school support personnel. Instruction on prevalent student chronic health conditions, as well as educator ethics and teacher-student conduct training, is also required. See also f/ns 4-12 below discussing the board's requirements in 105 ILCS 5/10-22.39.

Both 105 ILCS 5/3-11 and 5/10-22.39 use the phrase *teachers, administrators, and school support personnel*, but for brevity this material uses the phrase *all District staff*. While the language of this paragraph is not required to be in board policy, including it provides a way for boards to monitor that it is being done. It also provides an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject.

In-service training programs on the topics listed in 105 ILCS 5/10-22.39, amended by P.A.s 103-41, 103-413, 103-542, and 103-603, shall be credited toward hours of professional development required for license renewal as outlined in 105 ILCS 5/21B-45(e). School support personnel may be exempt from in-service training if the training is not relevant to the work they do.

⁴ 105 ILCS 5/10-22.39(b-5), added by P.A. 103-542 and amended by P.A. 103-603. Nurses and school nurses, as defined by 105 ILCS 5/10-22.23 (school nurse), are exempt from training on health conditions of students. *Id.*

For No. 1(c), Consult the board attorney about whether:

1. All asthma action plans should require immediate 911 calls based upon *In re Estate of Stewart*, 406 Ill.Dec. 345 (2nd Dist. 2016); *In re Estate of Stewart*, 412 Ill.Dec. 914 (Ill. 2017) (school district's appeal denied). The court held that a teacher's failure to dial 911 immediately upon a student's asthma attack was willful and wanton conduct, subjecting the school district to liability under the Local Governmental and Governmental Employees Tort Immunity Act.
2. The duties and responsibilities of the district when it asks for but does not receive an asthma action plan from a parent/guardian and the logistics of distributing any received plans to those employees who need to know based upon *Stewart*, above.

For No. 1(d), see also 105 ILCS 150/25, amended by P.A. 103-542, and No. 6 under the subhead **Additional Training Requirements**.

For No. 1(e), see also 105 ILCS 145/25, amended by P.A. 103-542, and No. 7 under the subhead **Additional Training Requirements**.

- f. How to respond to an incident involving life-threatening bleeding, including use of a school's trauma bleeding control kit, if applicable. ⁵
2. Social-emotional learning.⁶ Training may include providing education to all school personnel about the content of the Illinois Social and Emotional Learning Standards, how they apply to everyday school interactions, and examples of how social emotional learning can be integrated into instructional practices across all grades and subjects.
3. Developing cultural competency,⁷ including but not limited to understanding and reducing implicit bias, including *implicit racial bias* as defined in 105 ILCS 5/10-20.61 (implicit bias training).
4. Identifying warning signs of mental illness, trauma, and suicidal behavior in youth, along with appropriate intervention and referral techniques, including resources and guidelines as outlined in 105 ILCS 5/2-3.166 (*Ann Marie's Law*) and the definitions of *trauma*, *trauma-responsive learning environments*, and *whole child* as set forth in 105 ILCS 5/3-11. ⁸
5. Domestic and sexual violence and the needs of expectant and parenting youth, conducted by persons with expertise in domestic and sexual violence and the needs of expectant and parenting youth.⁹ Training shall include, but is not limited to:
 - a. Communicating with and listening to youth victims of domestic or sexual violence and expectant and parenting youth;
 - b. Connecting youth victims of domestic or sexual violence and expectant and parenting youth to appropriate in-school services and other agencies, programs, and services as needed;
 - c. Implementing the District's policies and procedures regarding such youth, including confidentiality; and
 - d. Procedures for responding to incidents of teen dating violence that take place at school, on school grounds, at school-sponsored activities, or in vehicles used for school-provided transportation as outlined in 105 ILCS ~~110/3-105/27-240~~ (see Board policy 7:185, *Teen Dating Violence Prohibited*).

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁵ See 105 ILCS 5/10-20.85, added by P.A. 103-128, for a definition of *trauma kit*. To avoid confusion between trauma related to life-threatening bleeding and *trauma* as defined in 105 ILCS 5/3-11(b), added by P.A. 103-413, this policy uses the phrase *trauma bleeding control kit* instead of *trauma kit*.

Beginning with the 2024-25 school year, training on life-threatening bleeding must be completed within six months of employment and renewed within two years. Beginning with the 2027-28 school year, training on life-threatening bleeding must be completed within six months of employment and renewed at least once every five years thereafter. 105 ILCS 5/10-22.39(b-5)(7), added by P.A. 103-542 and amended by P.A. 103-603. Trained employees using a trauma kit are generally immune from civil liability. *Id.*

⁶ 105 ILCS 5/10-22.39(b-10), added by P.A. 103-542.

⁷ 105 ILCS 5/10-22.39(b-15), added by P.A. 103-542.

⁸ 105 ILCS 5/10-22.39(b-20), added by P.A. 103-542 and amended by P.A. 103-603. Training on the implementation of trauma-informed practices satisfies the requirements of this subsection. *Id.* In addition, Illinois Mental Health First Aid training may satisfy the requirements of this subsection. If teachers, administrators, or school support personnel obtain mental health first aid training outside of an in-service training program, they may present a certificate of successful completion of that training to the school district to satisfy the requirements of this law. *Id.* For further information on Mental Health First Aid, see <https://namiillinois.org/resources/about-mental-illness/mental-health-first-aid/>.

6. Protections and accommodations for students,¹⁰ including but not limited to training on:
 - a. The federal Americans with Disabilities Act as it pertains to the school environment; and
 - b. Homelessness.
7. Educator ethics and responding to child sexual abuse and grooming behavior (see Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*);¹¹ including but not limited to training on:
 - a. Teacher-student conduct;
 - b. School employee-student conduct; and
 - c. Evidence-informed training on preventing, recognizing, reporting, and responding to child sexual abuse and grooming as outlined in 105 ILCS 5/10-23.13 (*Erin's Law*).
8. Effective instruction in violence prevention and conflict resolution,¹² conducted in accordance with the requirements of 105 ILCS 5/27-[11523.4](#) (violence prevention and conflict resolution education).

Additional Training Requirements

In addition, the staff development program shall include each of the following: ¹³

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁰ 105 ILCS 5/10-22.39(b-30), added by P.A. 103-542. Beginning with the 2024-25 school year, training on homelessness must be completed within six months of employment and renewed within two years. Beginning with the 2027-28 school year, training on homelessness must be completed within six months of employment and renewed at least once every five years thereafter. Boards may work with a community-based organization specializing in working with homeless children and youth to develop and provide this training. See 105 ILCS 5/10-22.39(b-30)(1) - (5), added by P.A. 103-542, for homelessness training content requirements. **Note:** the homelessness training content requirements in 105 ILCS 5/10-22.39(b-30)(1) - (5), added by P.A. 103-542, are nearly identical to the homelessness training content requirements in 105 ILCS 5/10-22.39(h), added by P.A. 103-41.

Beginning with the 2016-17 school year, institutes under 105 ILCS 5/3-11 had to include instruction on the Americans with Disabilities Act of 1990 (ADA) (42 U.S.C. §12101 *et seq.*) as it pertains to the school environment at least every two years. Contact the Regional Superintendent or the appropriate Intermediate Service Center Executive Director with questions about online training for this component of a teachers' institute. Discuss with the board attorney the best practices of documenting trainings and evaluations of trainings; many attorneys in the field prefer documentation of ADA trainings to assist in their defense of any potential ADA claims against the district.

¹¹ 105 ILCS 5/10-22.39(b-35), added by P.A. 103-542. Each board may want to have a conversation with the superintendent and direct him or her to develop a curriculum for the in-services that instructs all district staff to maintain boundaries and act appropriately, professionally, and ethically with students. See also sample policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, and ¶n 11 in sample policy 4:110, *Transportation*. These expectations will be most effective when they reflect local conditions and circumstances. Employee conduct issues may be subjects of mandatory collective bargaining, therefore consulting the board attorney should be a part of this process. A district would commit an unfair labor practice by implementing new employee conduct rules without first offering to negotiate them with the applicable exclusive bargaining representative.

¹² 105 ILCS 5/10-22.39(b-40), added by P.A. 103-542 [and amended by P.A. 104-391, and 105 ILCS 5/27-115, renumbered by P.A. 104-391.](#)

¹³ Optional. These in-services and/or trainings are required by State and/or federal law but are not required to be specified in board policy. The only non-School Code State and/or federal law training requirements listed are from the Abused and Neglected Child Reporting Act (325 ILCS 5/), Ill. Human Rights Act (775 ILCS 5/), Seizure Smart School Act (105 ILCS 150/), Care of Students with Diabetes Act (105 ILCS 150/), and Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*).

1. Ongoing professional development for all school personnel and school resource officers on the requirements of 105 ILCS 5/10-22.6 and 5/10-20.14, the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, trauma-responsive learning environments as defined in 105 ILCS 5/3-11(b), the appropriate and available supportive services for the promotion of student attendance and engagement, and developmentally appropriate disciplinary methods that promote positive and healthy school climates. ¹⁴
2. Annual continuing education and/or training opportunities (professional standards) for school nutrition program directors, managers, and staff. Each school food authority's director shall document compliance with this requirement by the end of each school year and maintain documentation for a three-year period. ¹⁵
3. All high school coaching personnel, including the head and assistant coaches, and athletic directors must obtain online concussion certification by completing online concussion awareness training in accordance with 105 ILCS 25/1.15. Coaching personnel and athletic directors hired on or after 8-19-14 must be certified before their position's start date. ¹⁶
4. The following individuals must complete concussion training as specified in the Youth Sports Concussion Safety Act: coaches and assistant coaches (whether volunteer or employee) of an interscholastic athletic activity; nurses, licensed and/or non-licensed healthcare professionals serving on the Concussion Oversight Team; athletic trainers; game officials of an interscholastic athletic activity; and physicians serving on the Concussion Oversight Team. ¹⁷
5. For school personnel who work with hazardous or toxic materials on a regular basis, training on the safe handling and use of such materials. ¹⁸
6. For delegated care aides performing services in connection with a student's seizure action plan, training in accordance with 105 ILCS 150/, the Seizure Smart School Act. ¹⁹
7. For delegated care aides performing services in connection with a student's diabetes care plan, training in accordance with 105 ILCS 145/, the Care of Students with Diabetes Act. ²⁰
8. For all District staff, annual sexual harassment prevention training. ²¹

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

Putting this optional list into the policy will help the board monitor that the required in-service and training topics are being covered. While it is possible to *pick and choose*, this practice is likely to add more confusion to an already confusing responsibility. Unless noted, the School Code does not mandate the frequency with which the training must occur. Several other trainings that are mentioned in laws other than the School Code are addressed in other sample policies and procedures. Many of those policies and procedures are listed in the cross-references to this policy, e.g., training requirements under the Care of Students with Diabetes Act, 105 ILCS 145/.

Food service funds may be used for reasonable, allocable, and necessary training costs. 7 C.F.R. §210.31(f). ²⁷ Districts are not required to train staff on life-saving techniques, though 105 ILCS 110/3, amended by P.A. 103-608, requires that all teachers, administrators, and other school personnel, as determined by school officials, be provided with information about emergency procedures and life-saving techniques within 30 days after the first day of each school year. *Id.* Such life-saving techniques must include the Heimlich maneuver, hands-only cardiopulmonary resuscitation (CPR), and automated external defibrillator (AED) use. The information provided must be in accordance with standards of the American Red Cross, the American Heart Association (AHA), or another nationally recognized certifying organization. *Id.* See e.g., <https://cpr.heart.org/en/cpr-courses-and-kits/hands-only-cpr/hands-only-cpr-resources>, <https://cpr.heart.org/en/training-programs/aed-implementation>, and www.redcross.org/take-a-class/resources/learn-first-aid/adult-child-choking.

For districts that have a practice of providing ~~training~~ instruction in life-saving techniques and first-aid in their staff development programs, insert the following optional paragraph that aligns with 105 ILCS 5/3-11, 105 ILCS 110/3, amended by P.A. 103-608, and 77 Ill.Admin.Code §527.800:

An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator.

Persons performing CPR are generally exempt from civil liability if they are trained in CPR. 745 ILCS 49/10. Persons using an AED are generally exempt from civil liability if they were trained and acted according to the standards of the AHA. 745 ILCS 49/12.

The board may also want to address other staff development opportunities. While not required to be in policy, 105 ILCS 5/27-~~105523-10~~, amended by P.A. 103-542 and renumbered by P.A. 104-391, requires a school board to collaborate with State and local law enforcement agencies on gang resistance education. It also states that ISBE may assist in the development of instructional materials and teacher training for gang resistance education and training, which may be helpful to include in the staff development program. Other mandated and recommended staff development opportunities that are not located in the School Code or ISBE rules are found in the Ill. Administrative Code or federal regulations. Many of them are cross referenced in this policy.
