***General Overview: Do not use acronyms***

The Nevada NAEYC Conference by the Nevada Association for the Education of Young Children. It's a professional development opportunity for early childhood educators, offering training and networking, and focusing on topics relevant to early childhood education.

***How will this impact student learning in a positive way?***

Going to this conference enhanced my knowledge which I can applied in the classroom to improve teaching strategies. Furthermore, access to new materials and I can then share with families so that we can increase engagement and motivation with their children.

*How will I implement what I learned and how will I share  
this information with my colleagues?*

By sharing the information that I learned through collaboration, monthly meetings and team work. This information will also be done by supporting colleagues in their classroom.
