Discipline Incidents for December

December was a good month at Tomahawk Elementary. We had 67 behavior incidents for this year December compared to 96 for December of the 2017-2018 school year.

January PBIS

Caught caring is starting this month. When a student is seen doing a caring deed they will be given a caught caring slip that they will take to the TES office and they will be given a super hero sticker to wear for the day so that others can recognize them for doing a caring deed. The students will also be put into a drawing for a prize each Friday.

21st Century Community Learning Center Grant

I'm currently looking into a 21st Century Learning Community Learning Grant for Tomahawk Elementary. This is at the beginning stages with a needs assessment survey that has been given out to some parents/guardians to determine if families would be interested in an after school program at the elementary school level. These surveys will be looked at to determine if we should proceed with the grant and to also focus the writing of the grant application.
