

After School Childcare and Enrichment Programs in SBISD

February 9, 2026

Purpose

**To provide an overview of
After School Childcare and Enrichment
Programming and our vision for the future**

Three Types of Partners

- **After School Childcare Program Partners**
- **Enrichment Program Partners**
- **MOU partners**

After School Childcare

History

- **Prior to 2023**

- Approved vendor list, but no centralized oversight
- Vendors approaching district who were not board approved
- No district-level structure and oversight for daily operations, background checks for vendor employees, or support for principals
- No fee structure for program partners
- No campus based staffing model for program support

History

- **Spring 2023**
 - SBISD Community Engagement assumed leadership, management and support of after school childcare programming and established:
 - Structure for program management and support
 - After School Support Staff position
 - Fee Structure for after school childcare program
- **Spring 2025**
 - RFP after school childcare and enrichment program providers
 - Fee structure for enrichment providers
- **Fall 2025**
 - Community Engagement assumed oversight of enrichment programming

After School Childcare Program Model

- **Hours**
- **Role of Support Staff**
- **Background checks**
- **Safety training**
- **Daily program management**
- **Evaluation**
