Re: Bid Results of Installation of Field Lights

I would like to discuss, at the February 10, 2025, Committee of the Whole Meeting, the bid results for the installation of LED Retrofit Lighting project for the stadiums at Churchill High School, Franklin High School, and Stevenson High School. We are seeking approval to award the installation for the lighting project to the low responsible bidder, Airport Lighting, Luther, Michigan. As you recall, the Board approved the lighting from Musco last month and I informed them I would be bringing the installation to them for approval in February.

The total cost for the installation of the lighting materials for Churchill, Franklin, and Stevenson High School is \$181,934. The funding source for the installation will be from the Capital Projects Fund.

Please include this item on the agenda. Thank you.
