District Improvement Plan

According to the Texas Education Code, Subchapter F, “the board of trustees of each independent school district shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. The board shall annually approve district and campus performance objectives and shall ensure that the district and campus plans:

- (1) are mutually supportive to accomplish the identified objectives; and
- (2) at a minimum, support the state goals and objectives under Chapter 4.”

The District Improvement Plan has been aligned to the District Strategic Plan, updated and revised through the District Educational Improvement Council and reviewed by the curriculum department. It is now submitted for your approval.

CISD Campus Improvement Plans are in the process of being aligned to the District Improvement Plan through the campus improvement committee on each campus. These plans will be submitted to the board in September.
