Re: Superintendents Board Report

Updates

- The State Board has put together a reopening committee to work on various issues related to reopening in the fall. I'm serving on that committee. The goal is to have most of the committee work done by the end of June. Locally, we are developing a plan to reopen in August recognizing best practice related to safety. We need students in school and will do all that we can to make that happen.
- At the end of year "virtual" celebration for staff, Mr. David Correa was announced as our Teacher of Year. Mr. Correa was honored by Mrs. Moss Strong and he will be greatly missed by the middle school as he moves to the high school.
