

Teacher Cadet Program Parent Letter
Preparing Cadets To Be Teacher Leaders!

Date _____

Dear Parent/Guardian,

You have learned by now that Belle Plaine Schools set high expectations for our students. We believe each student should have the opportunity to apply his/her own skills through a Pathway Experience. Your child has been accepted to the Teacher Cadet Pathway Experience for this school year. As your child completes this experience he/she will be analyzing his/her own strengths, gaining and understanding of how to create resumes and gain interview skills, develop and implement developmentally appropriate lessons for students, gain an understanding of classroom management strategies, and learn how to assess and evaluate data.

This Pathway experience involves parental and teacher support as well as student initiative and self-discipline. Attached is a copy of the course guide that explains the goals and outcomes of the program.

This is an exciting experience for your Cadet. Thank you for joining us on this exciting journey. If you have any questions, please do not hesitate to call or email us.

Sincerely,
