

Board Report  
Christine Ketterling  
Federal Programs Director  
December 7, 2022

### **ACCESS 2.0 Testing**

This year's testing window opens January 23, 2023 and closes March 2, 2023. Our team is beginning to complete the yearly training requirements for administering the assessment.

### **Grant Funding**

We have secured additional funding to support the Trojan Connection and Trojan Tots Preschool. The Whittenberger Foundation as well as the Idaho Community Foundation have been great supporters of our efforts thus far and continue to provide additional financial assistance. We are thankful for all our funders and the generous donations of those within our community as we continue to watch both of these projects expand and flourish.
