To whom it may concern;

I am writing this letter to announce my resignation as a school bus driver for Midwest Central CUSD 191 effective April 5th 2026. This decision did not come lightly however I have accepted a new job that promises me a better ability to care for my young family.

I have thoroughly enjoyed my 10 years with Midwest Central and wish nothing but the best for my coworkers, my students, and my school, the school I grew up in served and met my significant other

Sincerely

CHRISTOPHER
