Re: Recommendation to hire the following: Annie Moritz as Classroom Teacher

Annalise Moritz will be another great addition to our 3rd grade team. While she is a new teacher, she served as a paraprofessional while earning her teaching degree. After student teaching last fall, she was trusted to take over a classroom this spring on short notice. This kind of willingness to step up and do "whatever it takes" and be a team player is why she comes to us strongly recommended, and why she impressed our interview team. She has a record of building great relationships, working with students to provide interventions, and helping students with challenging behaviors to turn things around. I'm excited for Annie to bring these skills to our team!
