Michael Strozak is being recommended for hire due to his strong instructional skills, leadership experience, and commitment to supporting all students. Through his student teaching in both 4th and 5th grade classrooms, he has demonstrated the ability to plan and deliver engaging lessons, manage classroom routines, collaborate with staff, and build meaningful relationships with students. He is consistently described as enthusiastic, adaptable, and reflective, with a willingness to grow in his practice. Combined with his experience working with diverse learners, Michael is a student-centered educator who is well-prepared to make a positive impact in the classroom and school community.
