

C-I Secondary Board Report

Submitted by Jennifer Strom, Principal
June 2021

Thank you to all of the school board members for your presence and participation in the 2021 Graduation Ceremony!

Here is a link to the [2021-2022 Master Schedule](#).

We are setting up to run a Jump Start program the first two weeks in August for our SPED students. This program will focus on getting kids ready for school by giving them leveled instruction in math and reading. Minnie Fischer will be the lead teacher of this program.

Several teachers are slated to attend Sourcewell's MN Summit for Learning and Leading on August 11-12. Attending will be Minnie Fischer, Molly McDonald, Megan Syrstad, and me. This two day conference will focus on: Grading and Assessment; Social, Emotional, and Behavioral Health; Building a Culture of Excellence; and Equity in our Schools.
