FOR DISCUSSION

Subject: First Reading of Job Description of Superintendent

In the February 29 edition of the *Thursday Letter*, I shared the draft of the revised Superintendent Job Description that was a product of a Board subcommittee of Mr. McKeown and Mrs. Zehme. The draft is attached and this would be the appropriate time for the whole Board to discuss its contents and ask any questions. A final draft will be brought to the Board for a vote at the April 22, 2024 regular meeting.
