Dear United ISD,

Thank you for partnering with the Kids In Need Foundation! At Kids In Need Foundation, we believe every child in America should have equal opportunity and access to a quality education. By partnering with teachers and students in under-resourced schools, we provide the support needed for teachers to teach and learners to learn

We appreciate your interest in accepting a donation of hand sanitizer on behalf of your district. Equipping students and teachers with the tools they need to both stay safe and succeed is a top priority—and this donation can help do just that.

This particular donation of hand sanitizer, which will arrive via a full truckload freight shipment, is valued at **\$210,614.52**.

By continuing to partner with districts like yours, we can give students the confidence to keep coming to school. And we can empower great teachers to continue teaching in the communities that need them most.

Thank you so much,

-Nate

I hope this letter finds you well.

Enclosed you will find a donation from my wife and me that we hope will be given to a graduating senior(s) who plans on attending college to become a teacher.

This is a small token of my appreciation and admiration for the years you've given United Independent School District and mainly for the support you have shown me since you became the Superintendent.

I will forever be grateful for what you have done for my family and me. I wish you many years of health and happiness in your retirement.

Please call me whenever you're in San Antonio and God bless you and your family!

Take care and stay safe,
