Local Policy \_\_\_\_\_

Law or Rule \_\_\_\_\_

C. Strategic Objective, Goal, or Need Addressed: Approve requests for competitive sealed proposals for the RECHS Stadium Parking Lot/Pavement Improvement.

D. Summary: The recommendation to go out for competitive sealed proposals for a new parking lot at our RECHS football stadium stems from several key factors. First, the existing pavement has deteriorated over time, leading to a patchwork appearance that contradicts the curb appeal we aim to achieve. As curb appeal aligns with the superintendent-board goal, addressing the parking lot's condition is essential to meet this objective.

Secondly, the current state of poor paving raises significant safety and liability concerns. The degraded surface poses risks to both students and vehicles, making it imperative to undertake the project to enhance the overall safety of the parking area. By soliciting bids for a new parking lot, we aim to not only improve aesthetics but also ensure the well-being and security of everyone utilizing the high school football stadium facilities.

E. Alternatives Considered: TBD

F. Comments Received: Several staff and community have commented on the need to “permanently fix” the “paving problems” at the RECHS football stadium.

G. Administrative Recommendation: Approve competitive sealed proposals for the RECHS Stadium Parking Lot/Pavement Improvement.

H. Fiscal Impact and Cost: Estimated cost \$2.5 million.
