We reviewed your application and it still includes K-2. I want to confirm that Wynne wants approval for a 3-12 plan with 3-6 using Tri-Region and 7-12 using Virtual Arkansas. Is this correct?

My very first submission when we switched to the coop and virtual was K-6 through the coop and 7-12 through virtual. I was given feedback to change it to K-5 and 6-12 bc We are a middle school that is 6-8. We've since decided to not to offer k-2 so my last submission was 3-5. We prefer 3-6 to be through the coop and 7-12 be virtual so if that is what needs to be changed that's what we want to do.

Mrs. Matus,

Good afternoon. Are you wanting Wynne to specifically answer this question or someone from the Co-op tomorrow at the meeting?

Good Afternoon,

We had questions from the State Board members regarding your digital learning plan. Please be prepared to answer the question tomorrow during the State Board meeting.

- a. The DLP states that the Tri-Region will be used for K - 5 and Virtual Arkansas will be used for 6- 12. This is the first time we have seen a district use Virtual Arkansas for 6th grade. Could you give more information on the 6th grade with VA?

Thank you,
