Community Collaboration Committee Purpose Statement:

The Community Collaboration Committee is a link between the Hastings School District and the ISD200 community. The committee focuses on identifying avenues to continuously improve the district's communication process for increased transparency and to better articulate the district's goals with its stakeholders. The committee seeks opportunities for shared learning, knowledge, awareness, experience, and growth to create a stronger, more united community.

Attendees:

Melissa Millner, Matt Bruns, Phil Biermaier, Dr. Kristine Wehrkamp Herman

Summary:

The first Community Collaboration meeting with Dr. Kristine Wehrkamp Herman was held September 16 at 5:00 PM.

Upcoming Community Collaboration Events:

October 2, January 12, and either March 30 or April 1.

The entire board is welcome to attend!

The October 2 event held at 6 pm in the High School lecture Hall will feature a meet-and-greet with the Superintendent as well as a demonstration of the new Anatomage Table. This is a great opportunity for both the Board and the community to see this innovative educational tool in action.

The January 12 event will be centered around the legislative updates and school finance.

The March/April event will be centered around our student achievements and setting the foundation for the 2026/27 school year.

The committee will also meet on October 22 to plan the next event and discuss outcomes of the October 2nd event.
