RE: Potential Refunding of Existing Bonds

As your Municipal Advisor one of the services we provide is to monitor your outstanding bond issues and alert you to any potential refunding opportunities. An updated status report for your outstanding debt is attached. It includes general information about your existing debt and a brief comment regarding potential savings based on current market conditions. We will continue to monitor your issues on an ongoing basis and will contact you if we identify refunding opportunities that merit consideration.

If you have any questions about this information, please contact me.

Sincerely,

Ehlers
