

GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: October 28, 2014

TITLE: Approval of School Facilities Board FY 2014 Preventive Maintenance Program

BACKGROUND:

Attached is a copy of the FY 2014 reporting statement of the Preventative Maintenance Program which is to be submitted annually to the Governing Board for approval.

These reports are based on four inspections per year. Tasks are scheduled annually, semiannually and quarterly.

The difference between the Recommended and Completed tasks has to do with the fact that all tasks recommended are not applicable to every site. A site may have more completed tasks than were recommended simply because more tasks were identified and completed when the preventive maintenance crew serviced the site.

RECOMMENDATION:

It is the recommendation of the Administration that the FY 2014 Preventive Maintenance Program be approved by the Governing Board.

INITIATED BY:

James Burns, Executive Manager, Operational Support
