I am writing this letter to officially notify you that the Special School Board Meeting is set for Thursday, January 19, 2012 at 6:00 P.M. in the Central Office Boardroom. The purpose of this meeting is to consider your official parental complaint concerning the validity of drug test results from the company that the school district has employed to conduct the actual drug tests for the drug testing program of our student athletes. The meeting will be conducted in executive (closed) session. Any action taken by the school board will happen in open session. Please feel free to call me if you have any questions concerning this Special School Board Meeting.
