Subject:

State Financial Accountability Rating

Background:

During the 77th regular session of the Texas legislature (2001), Senate Bill 218 was passed and Governor Perry signed it into law shortly thereafter. This law requires each school district to prepare an annual financial accountability report within two months of the date of issuance of the final School FIRST ratings.

Many business-related issues are covered in this report. The primary reporting tool, however, is the Financial Accountability Ratings Worksheet. This worksheet was developed by representatives of the Texas Education Agency (TEA), the Texas Business & Education Council (TBEC) and the Texas Association of School Business Officials (TASBO). It is administered by the TEA and calculated on information submitted to the Agency via our PEIMS submission each year.

The worksheet consists of 21 Indicators, each weighted equally with the exception of the Critical Indicators. A "No" response in Indicators #1, #2, #3, or #4 automatically result in a rating of Substandard Achievement, so these first four Indicators are of utmost importance.

Clear Creek ISD currently has a rating of "Superior Achievement".
