Dear School Board,

January 7, 2019

We had a busy month in December. Our students spent a lot of time preparing for the Christmas Program and it was time well-spent. The program here was set up by the older students here and they did an excellent job in planning this. They picked a play and songs that were practiced by all in the school. There were a few hang-ups during the play, but the hard work was very appreciated by the community here at Big Sky.

During December we had a lot of visitors; Mrs. Guardipee-Hall, Mrs. Guardipee, Mr. Bull Shoe, Mrs. Salois, Mrs. Tailfeathers, Mrs. Conway, former School Board Member Mr. Conway, the Glacier Park Rangers, Ms. Kennerly, Mr. Hall, and Santa Claus. Students enjoyed the Toys for Tots, the glacier activity with the Glacier National Park Rangers, and the cookie decorating with Mrs. Conway and Mrs. Salois. It sounds like all students had a nice Christmas break at their homes, even though they had a busy schedule during that time.

Everyone is happy to be back at work/school as we continue the school year.
Happy New Year.

Thanks,
Willie Sharp, Teacher
Natasha Siliezar, Teacher/Principal
Candy Hall, Teacher Aide
