**Enrollment**

**5th = 96      6th = 92      7th = 90      8th = 93      Total: 371 (-4)**

**Parent/Teacher Conferences**

There were 171 (46%) kids represented. The middle school has been making an effort to communicate with and/or meet with parents of students that are struggling as soon as we see the issue arise. We also send out a lot of notices of students' grades and what is happening in the classroom so we think this is why our attendance at conferences has been dropping.

**Math Minds Academy**

The Friday Math School is going very well. Last week we had over 40 students attend. They are working on using real life math skills to solve problems. Currently, students are designing and will be building their dream homes to scale.

**MAP Testing**

HMS will be testing students for the second time on Reading, Math, and Language to see how they are progressing with the curriculum. Students have set goals and will evaluate how they did in January.

**First Quarter D/F Results**

	<b>Ds</b>	<b>Fs</b>
<b>5<sup>th</sup></b>	9 (9%)	4 (4%)
<b>6<sup>th</sup></b>	31 (33%)	18 (19%)
<b>7<sup>th</sup></b>	15 (16%)	10 (11%)
<b>8<sup>th</sup></b>	21 (22%)	12 (12%)
<b>Total</b>	76 (20%)	44 (11%)

These numbers are pretty typical for first quarter in each grade level. They tend to come down for second quarter since it is the end of the semester.
