To: Kevin Ricke <kricke@badger.k12.mn.us>

Mr. Ricke,

Here is the information you requested. Choir contests are on Wednesday, March 6 in Badger. There are 13 Choirs, 8 schools involved in choir contests (Badger, Greenbush/Middle River, MCC, Warroad, Roseau - 3 choirs, Goodridge, LOW 2- choirs, Kittson - 3 choirs). Each choir is allotted 20 minutes per performance. We are required to give the judges a 30 minute break. There will be about 300 students from other schools here. The run time for contests will be approximately 5 hours.

We have had at least 2 early outs in the past - a 12:30 dismissal, when we have hosted contests. This was done to facilitate having so many students in the building at the same time. During those contests teachers stayed and worked in their rooms, and were then able to help keep an eye on the hallways/lockers.

The homeroom for the choirs will be the cafeteria. The warm-up room is the music room, and the performance area is the gym.

If the students eat lunch in their classrooms that day, that would free up the cafeteria to be ready by 12:00 for arriving choirs.

I will let the schools know to not arrive and unload students between 12:20 - 12:40, if we do an early out.

If there is any other information you need, please let me know.

Sara Carpenter
