Subject: Assisstive Technology to Section 504/Dyslexia Department

Ms. Gonzalez,

Care Innovations (Sales Representative-Lou Meier) has donated 15 Intel Readers to the Section 504/Dyslexia Department. An Intel Reader is a mobile hand-held device that images printed text and reads it aloud to the user. The Intel Reader increases the independence of anyone who struggles to read standard print including those with low vision, blindness or learning difficulties such as Dyslexia. The Intel Readers are a form of assistive technology which will be used to address reading deficiencies in UISD students with Dyslexia.

See e-mail below.

Thank you,
