

## Site Report – Igiugig School – February, 2022

To: Superintendent Kasie Luke  
and LPSD School Board Members

From: Kristin Henke, Head Teacher

### Outstanding Activities and Events

Our 3rd/4th Grade Battle of the Books team placed 2nd in Districts despite two team members being in quarantine.

The head teacher's homemade donuts have been highly motivational for student participation in class.

Students here have been very involved in planting seeds and preparing and visiting the successful village greenhouse over the years, but this was their first experience with forcing, planting, and growing flowering bulbs. Now daffodils are in bloom in our classroom.

### Personnel

Andyn Gunlik is back to teaching two classes of Yugtun (Yup'ik language) each day. She is also available as a substitute teacher and aide for the rest of the day as needed.

**Standards Based System/Curriculum Progress**

Middle School students are working on revising their Educational Plans, meeting standards in Employability and Technology as they create Google sheets to record their plans.

Students continued their academic learning with materials prepared by teachers during days in quarantine. Daily phone calls and/or emails from teachers helped students to feel less isolated.

Mr. Bill's Middle School and High School Progress:

Aiden just recently passed his level 8 EoL WR assessment (great essay on a WWI hero).

Shea and Seth passed level 6 EoL RE assessments (Shea actually received advance marks).

Aiden is well into a Personal Finance (consumer math) course to satisfy a MA12 requirement.

Keil, Colton, and Aiden are mid-way through an excellent AI course (from CODE.org) as part of their TE work.

All students are actively working on some phase of reading and writing EoL assessments.

**Technology Progress**

Our two new students and two more of our kindergarten students received iPads to use for learning at school.

**Facility Update**

The new teacher duplex continues to take shape towards completion this coming summer.

**LSAC Activity**

No meeting this month

**Volunteer Report**

We are so grateful for substitute cooks and custodial help during support staff absences. Our Yup'ik language instruction is back with the return of Andyn from Kipnuk. Quyana, Andyn!

**Professional Development**

Betsy, our aide, attended DEED Literacy Training in January.

**Pupil Attendance**

Our enrollment has climbed to 25 students with the addition of a 2nd grade student and a 4th grade student.

**Student and Staff Safety**

Safety precautions are in place to prevent the spread of COVID among staff and students.

**Subsistence Calendar**

We are on track to complete our objectives within the timeframe allotted
