Re: Items for Building and Site Agenda – 1/9/17

I would like to discuss the purchase of a Genie 2632 Scissor Lift, Band Shells for all 3 high school, and the replacement Multi-Function Copiers and Printers all coming from the 2013 Bond.

In addition I would like to discuss the purchase of a Ford F-350 w/plow, coming from the General Fund.

Please include these items on the agenda.
