

VI. COMMUNICATIONS TO THE BOARD

Information Only

Athletic General Admission Ticket Prices

**Randy D. McCoy, Ed.D.
Mac Curlee**

Discussion will be held regarding increasing ticket prices for football, basketball and baseball events. Several school districts are beginning to increase their prices, and for us to remain in line with other school districts and provide additional income to our athletic programs, I am recommending that the Board consider this ticket price increase for the 2008-2009 school year.

Discussion and review only – will be submitted at the May 27th meeting for approval.
