Re: Board of Directors Nominations, deadline 10/10/16

Carl Rose Governance Award Nominations, deadline 10/10/16

Outstanding School Board of the Year Nominations, deadline 10/10/16

In order to encourage greater participation in the AASB nominations and elections process, our members have asked us to get the information out earlier so that school boards can begin considering nominations in September. Even though the deadline doesn't occur until October, we hope you will schedule this for discussion at your September meeting.

This year there are 5 positions available for the AASB Board of Directors. **The nomination forms will be emailed to your superintendent later this week, for distribution at your next board meeting. The deadline for the Board of Directors Nominations is October 10, 2016.**

Nomination forms for the Board of Directors are accompanied by an *AASB Director's Job Description* adopted by the AASB Board to help nominees fully understand what the position entails. The Board has also adopted a *Code of Ethics* they would like all nominees to read and acknowledge by **signing** and returning with the nomination forms.

Your superintendent will also receive the nomination forms for *Outstanding School Board* and the *Carl Rose Governance Award*. The criteria for Outstanding School Board and Carl Rose Governance nominations are included with the nominations forms. **The deadline for submission of nominations for the "Outstanding" awards is October 10, 2016**

We understand how hard it is to choose from among so many deserving members in these categories and we congratulate you in advance for taking on this task!

Remember to place this on your next school board meeting agenda to meet the October 10th submission deadline. Please note that all nominations require official board action.

Your school board's active participation in AASB is what keeps our association vital and creates value for your school district. Our nominations and elections process presents another opportunity to participate.

Please help AASB and your board, be the best we all can be by taking advantage of your association at every opportunity!
