LEARNING  
GO HAND  
IN HAND

<b>Outstanding Activities and Events</b>
See Pictures.
<b>Personnel</b>
We are very grateful to Isabelle and Andrew Legrand for being here to support the learning of our students. Ms. Xana continues to keep our school looking great.
<b>Standards-Based System/Curriculum Progress</b>
WE LOVE OUR STANDARDS BASED SYSTEM
<b>Technology Progress</b>
All tech issues are being resolved really quickly thanks to the helpdesk and IT support.
<b>Facility Update</b>
Thanks to Tim and Carl for fixing our septic issues and keeping us going.
<b>LSAC Activity</b>
We continue to meet in preparation for the end of the year.
<b>Volunteer Report</b>
<b>Professional Development</b>
We are still exploring the PD options available to our staff for this year.
<b>Pupil Attendance</b>
Attendance is still an issue. we have tried a few things but it is hard when the kids are not motivated or interested in anything.
<b>Student and Staff Safety</b>
<b>Subsistence Calendar</b>
We appreciate the Subsistence Calendar and the innovation of the district to try new things. We were discussing the data surrounding the change and if that could be put out there for us to see.
