

JEFFERSON ELEMENTARY

Parent Involvement Night Plans Family Movie Night!

Polar Express Night

The Jefferson Parent Involvement Task Force has worked hard to plan a fun and exciting event for our students and their families. At no charge, families are invited to attend a movie night at the school with each family receiving a Polar Express Goody Bag. We have over 275 participants planning to attend and are very excited about the opportunity to engage with our community outside of the typical school day and routine.

Staff Recognition

Utilizing a Microsoft Form and social media, the community was given an opportunity to thank school staff. Jefferson had over 80 entries from our students and their families!

Thankful for you...

To Mrs Schattz

I am thankful for you because you have made your classroom a safe space for my child & she loves having you as her teacher.

Leyanna Bransil/Alyssa Ashley
