

## **Navarro Intermediate**

### **March Board Report**

#### **Enrollment:**

**3<sup>rd</sup> – 234**

**4<sup>th</sup> – 213**

**5<sup>th</sup> – 230**

**Total: 677**

#### **Campus Events:**

NIS is celebrating Read Across America this first week of March (3-7). We have activities planned for the week and every single student on our campus received a copy of the book “Mysteries According to Humphrey”. Mrs. Sindt used money made from the bookfair to purchase these books for our students! We have some trivia each morning on announcements, and we really are excited to share the love of reading with all our students not only this week, but each and every day!

Students had benchmark testing last week and we are continuing to complete make up tests today. We will be analyzing the data and making plans for reteaching, WIN times and even some after school tutoring over the next few weeks.

We are excited to present “Seussical the Musical” to the community this Friday, March 7<sup>th</sup> at 6:00 and 7:15 PM here at Navarro Intermediate School. The students will perform it for our campus as well next week, on March 12<sup>th</sup>.

We are holding a Science Night on Wednesday, March 12<sup>th</sup> for parents to come and see what their children have been learning this year. They will be able to participate in investigations, labs, and answer some questions with their children. Fifth graders will use this as part of their STAAR Review with labs they’ve completed this year and in showing/teaching their parents.

Fourth grade will visit the San Antonio Missions on March 10<sup>th</sup> and 11<sup>th</sup>. We now must split into 2 groups in order to make this work with our buses. Student Council will go to the Texas State Capitol on Thursday, March 13<sup>th</sup> for a visit.

Our book fair will take place the week of March 10-14.

**Counselor's Corner:**

In March I am going to provide a campus wide lesson to prepare for the STAAR test! Our theme this year is going to be "You are one in a Minion." I will focus on goal setting, test taking strategies, and strategies for testing anxiety. Each student will design their own minion that demonstrates how all our unique qualities come together to make us great!

Our habit that we are focusing on this month is to Synergize.

**Upcoming Events:**

Mar.3-7 Read Across America Week  
Mar. 4 Staff Meeting 3:30 PM  
Mar. 5 Site Based Decision Making Team Meeting 3:30 PM  
Mar. 7 End of 9 Weeks/First Friday
