A Message from Mr. Regal

Hello Evergreen families and friends,

We are in the home stretch before the last day of school on June 11th, but we still have just under 30 days left of instructional time for our students to grow academically, behaviorally, and socially before they move up to the next grade. These last days before summer are crucial for our students to wrap up the school year on a positive note. The teachers are continuing to provide quality instruction and engaging lessons for all of our students. I am asking parents to please make sure that their children are here on time in the morning at 7:35 a.m. and that their regular attendance continues to be a priority. Every minute counts in the classroom!!! Thanks for your continued support in making Evergreen an amazing place to work, learn, and visit.....

Jog-a-thon is coming up on May 15th . We are continuing to raise money for the student body fund, which supports individual classrooms, field trips, school wide assemblies, and future projects involving the playground area. Every cent counts to help provide the students with positive and memorable experiences during their time at Evergreen. Our goal is to raise \$8,000 this year.

Have a Marvelous May,

David Regal

A Message From the Office Ladies – The office is receiving more and more phone calls for changes to after school plans. This is just a reminder that all parents are told upon enrolling that unless it is an emergency the office must have a note that includes the student’s full name, the teacher’s name, date and sign it along with instructions for the change. This is for the safety of all students. We are asking at this time that you refrain from calling unless it is an emergency – please send a note or stop by the office to make changes to your child’s after school plans. Thank You

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.
