Re: 2 year Contract for Fastbridge Licenses

Recommendation:

It is the recommendation of the Superintendent to approve a 2 year contract with Renaissance Learning for \$3,237 for the purchase of 150 licenses of Fastbridge for the 2026-27 and 2027-28 school years.

Background:

Fastbridge is the measuring tool we utilize to gather students' growth in early literacy and oral fluency. Renaissance Learning is projecting 5% annual increases in the licensing cost. By entering into this agreement, we are able to save approximately 8% in overall costs for the licenses during this period of time. This will also allow us to match our Fastbridge licenses to our Educlimber contract length.
