Principal's General Narrative:

Spring is here at the High School and a number of great activities are in full swing. Both Girls and Boys made it to the Area round of the State Play-offs which was a great run. We look for those teams to get better in the future and hopefully get a chance to watch Brackett students in Austin. One Act Play, UIL Academic teams, track, baseball and softball as well as tennis and golf are all in full competition. Teachers and administrators are busy preparing for upcoming State testing with their students at all levels. The Administration and staff have also been diligent in their efforts to prepare for the changes in HB5 and the districts preparation in the new scheduling and endorsements. Spring is a busy time in the school business but also an important time for our students. Have a great Spring Break
