As we are part of the Dawson co-op Consortium for virtual instruction of K-6 students, the Centerpoint School District does need the class size waiver, as the virtual elementary classes may exceed the class size maximums.

Thank you,
Dan Breshears

Hello Traci,

Yes ma'am, I would like to verify that:

- Class Size: Centerpoint SD does not need this waiver as no classes at the K-6 level will exceed the maximum.
- Teaching Load: Centerpoint SD does not need this waiver as secondary teachers are not serving in a dual role.

Thanks for your assistance, and please let me know if additional information is needed.
