High School Highlights

- New hires: 2 English teachers
- Prom was last weekend; at the time of typing this I am hoping I can report that everything went well
- Completed a Safety Week at the HSMS last week. It was timely, since we lost our intercom and emergency alert systems for the upstairs classrooms and rooms in the Tech Ed area. We were able to practice using our back-up system for a variety of drills.
- MCAs will be happening on April 16 and 23. We are ready and excited to see the kids do their best.
- Awards night- could not do Wednesday night (4/24) due to local churches/ religious activities. Instead, we are scheduled for mid-day on April 23.
- Graduation plans- we are preparing for our Friday night graduation on 5/10.
