(\$200,000.00 estimated annual total)

JUSTIFICATION: Low bid meeting specifications. One Source Commercial Flooring did not provide their catalog/list price with their bid submission, as was requested. They were given another opportunity to provide pricing for a sample job and they failed to respond with pricing within the allotted time. The District has been using Gomez Floor Covering, Inc. for the last nineteen years, utilizing the BuyBoard Contract, and has been consistently provided with great customer service, quality product and professional installation services.
