Scott,

I found an entry error I made at bid opening. SFW Welding was recorded at \$107,093.50 for Acequia and should be \$170,093.50. This would make the apparent low bidder Gary Jones at \$159,667.00 for Acequia. The net increase for this is \$52,573.50 - \$8,000.00 (credit for Gary Jones getting both schools) = \$44,573.50. Sorry for not catching the error prior to meeting with the board, but it was caught prior to awarding contracts. Gary Jones was the low bidder at bid time, please see attached.
