

2011-12 SAFE AND DRUG FREE REPORT

This report describes the number, rate, and type of violent or criminal incidents that occurred on each campus.

Wylie ISD had 4 students who possessed marijuana at the high school and 1 student at the junior high that possessed marijuana.

There were no other violent or criminal incidents reported in the district.

The use of a school resource officer, drug dogs, and security cameras has helped deter more of these offenses. Also teachers have been trained to identify and respond to erratic student behavior.
