Item Title: 2020-2021 Certified T-TESS Appraisers for Teachers

Description: The Texas Teacher Evaluation and Support System (T-TESS) is a system designed by educators to support teachers in their professional growth. T-TESS is a process that seeks to develop habits of continuous improvement, and the process itself best leads to that outcome when appraisers and teachers focus on evidence-based feedback and professional development decisions based on that feedback through ongoing dialogue and collaboration.

Historical Data: The District utilizes the T-TESS provided by TEA as the evaluative instrument for teachers.
