Board Information or Report

Background Information

In 2022 the Red Wing School Board approved a revision to Policy 516 Student Medication to include guidelines pertaining to the drug Narcan.

In May, 2023, MSBA has completed a model policy and recommends modifying our current policy to update specifics and legal references.

At the June 20, 2023 Workshop, the board conducted a First Reading of these policies. Since that time, MSBA has revised the recommended Policy 516.5. Those changes are redlined in the attached policy.

At the July 17, 2023 meeting these policies were presented for a second reading.

These policies are presented for a final reading.

Policy 516	Student Medication	Remove section pertaining to Narcan
Policy 516.5	Overdose Medication	Final Reading of MSBA Model Policy with redline of recent additions

Recommendation

I move to approve the revisions to policy 516 and adopt policy 516.5 as presented.
