## May 2026 - Activities Director Board Report

### Tomahawk High School:

The spring scheduling yo-yo has been going so far for the 2026 Spring Season. Every week we have seemed to get a different weather pattern including the recent cold snap for games causing scheduling issues or changes. The students have been great with adapting to the weather and competing through some not so ideal weather conditions for games. Hopefully as we are on the homestretch of the High School Sports season that we can be rewarded for our efforts as we enter the WIAA tournament series at the end of the month.

The following students will be joining their classmates of 2026 for a class signing day on the Awards Night.

- Freya Alberg - Grinnell College - Women's Basketball
- Siannah Calkins - Macalester College - Women's Volleyball
- Faith Derleth - St. Cloud State University - Women's Track and Field
- Ethan Gibeault - UW-Stout - Football
- Walter Horabik - UW-Stout - Football
- Bruce Peetz - Will be continuing in Men's Swimming - Final Decision on what school he will attend soon.
- Rex Reilly - UW-LaCrosse - Football
- Lydia Shaney - Lawrence University - Women's Cross Country + Women's Track and Field
- Alicia Voermans - UW-Oshkosh - Women's Track and Field

### Forensics

- Had an interesting state competition this year. On the way down, the public performances were closed due to impending weather. The team virtually competed at UW-Stevens Point for their events and these are our placewinners.
  - Copper: Abigail Doleshal (Poetry)
  - Bronze: Skye Scheffler and Matilda VanAsten (Group Interpretation)
  - Silver: Galen Schmidt (Farrago), Avielle Kromm and Avery Suchomel (Group Interpretation) Skylar Hernandez, Gabby Ulrich, Finnian Colburn and Phoebe Hrdina (Poetry), Lydia Shaney (Prose)
  - Gold: Alena Cerkas (Farrago), Sadie Ruder, Jayden Dellinger, and Payton Loka (Group Interpretation), Madeline Long (Prose), Aubrey Graeber (Prose)

### Baseball:

- Currently 5-6 Overall (4-4 GNC)
  - Baseball has had a good start to the season. The team is competing at a very high level for general age being under classmen. As always, baseball results are dependent on the pitch count rules and who is available what night within the schedule based on rest.

### **Golf:**

- Golf continues to work on finding its lineup down the stretch run. There are multiple individuals moving into and out of the varsity lineup currently. When a full team is present, they will have a great opportunity to advance as a team to team sectionals and possibly state if everyone is available and on their game that day.

### **Softball:**

- Currently 8-7 Overall (5-5 GNC)
  - A very similar story to the baseball team. This group has shown potential to make a deep playoff run come tournament time. Will be dependent on what group shows up for the game as there is a lot of talent on the field this season for the Hatchets.

### **Track and Field:**

- Track has started the heart of their outdoor season. The Girls have been finishing at the top of most of their meets while Coach Cordova moves individuals around in events to identify our best lineup for the Conference Meet and WIAA Tournament. The boys are showing improvement as a team also compared to past seasons.
