Dear Margaret,

Last spring we shared with you the news regarding your student's eligibility to apply for the National Hispanic Recognition Program (NHRP). The invitation was extended to those student(s) at your school that scored in the top 2.5% among Hispanic and Latino PSAT/NMSQT test takers in your region. During the past few months, all students who submitted an application were evaluated and recognized accordingly. As a result, enclosed you will find a list with the status of the student(s) invited to participate and were identified to be enrolled at your school.

A status of 'Complete' means the student submitted all of the required information and was selected as a National Hispanic Scholar. A status of 'Incomplete' means the student did not submit all of the necessary documentation. A student with status of 'Not eligible' status means the student was ineligible due to not meeting one or more of the eligibility requirements. Lastly, a status of 'No response' means the student did not registered or submitted any information to be evaluated.

Participation in the NHRP is completely free of charge and will enable students to highlight their outstanding educational achievements to top colleges and universities. If you have any questions, please visit www.collegeboard.org/nhrp or send an email to NHRP@scholarshipamerica.org.

Sincerely,
