Administrators are responsible for management of their staff, oversight of the maintenance of the facility and equipment, administration of the educational program, control of the students attending the school, management of the school's budget, and communication between the school and the community.

Evaluation of Administrators/Assistant Administrators

Each principal/assistant principal shall receive at least one written evaluation to be completed no later than June 1 for each annual contract year of employment. The original will be retained by the Superintendent. The evaluation shall be reviewed annually and revised as necessary to indicate any significant changes in duties or responsibilities. The evaluation is designed to increase planning and relate performance to assigned responsibilities through joint understanding between the Superintendent and the principal as to the job description and major performance objectives.

The evaluation will identify the sources of data used in conducting the evaluation. Proficiency in conducting observations and evaluating effective teacher performance shall be included as one source of data.
