About the ISTE Conference & Expo

The ISTE Conference & Expo is recognized globally as the most comprehensive educational technology conference in the world. For more than three decades, educators and education leaders have gathered at the ISTE conference to engage in hands-on learning, exchange ideas and network with like-minded thinkers seeking to transform learning and teaching.

The annual event attracts over 18,000 attendees and industry representatives, including teachers, technology coordinators, administrators, library media specialists, teacher educators and policymakers. Attendees also enjoy world-class keynotes, hundreds of sessions in a variety of formats and a massive expo hall.
