**Board Meeting Date:** October 19, 2022      **Superintendent:** Dave Valenzuela

**Administrator/Staff:** David Regal / New Bridge

**Type of Item:**       *Informational*       *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

This out of state travel request is for an administrator and teachers, to attend the National Career and Technical Education Vision Conference. This conference aligns with board goals as well as district CTE goals for our Perkins funding. This annual conference is held in Las Vegas NV on November 30th December 4th. This conference breakout sessions revolve around strengthening CTE programs and increasing participation in our Programs of Study.

**Provide history/background information on your proposal:**

This conference is paid for through Perkins and SOESD. The VISION CTE/STEM conference is an annual conference with presenters from across the west region and is a requirement for professional development through the CTE Consortium. The agenda has specific presentations to TRSD issues and classrooms and I will be able to bring those back to our teachers in a followup conference. This conference is part of our district CTE plan and budgeted in our Perkins allocation.

**List the advantages of your proposal:**

Advantages of this grant would be for revitalizing our current CTE programs. The knowledge gained will be shared with our CTE/STEM teachers in a followup professional development training and travel costs are covered by CTE and Perkins funding. General fund costs <\$100.

**List possible disadvantages of your proposal:**

The training is out of the state and will require travel.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

Not attending the conference. This is the only ACTE this year or other closer locations would have been selected.
