Safety and Security

All MVSEC operations, including the education program, shall be conducted in a manner that will promote the safety and security of everyone on Cooperative property or at a Cooperative event. The Executive Director or designee shall develop, implement, and maintain a comprehensive safety and security plan that includes, without limitation:

1. An emergency operations and crisis response plan(s) addressing prevention, preparation, response, and recovery for each school;
2. Provisions for a coordinated effort with local law enforcement and fire officials, emergency medical services personnel, and the Board Attorney;
3. A school safety drill plan;
4. Instruction in safe bus riding practices; responding to emergencies while on school-owned vans; and
5. A clear, rapid, factual, and coordinated system of internal and external communication.

In the event of an emergency that threatens the safety of any person or property, students and staff are encouraged to follow the best practices discussed for their building regarding the use of any available cellular telephones.

School Safety Drill Plan

During every academic year, each school building that houses school children shall conduct, at a minimum, each of the following in accordance with the School Safety Drill Act (105 ILCS 128/):

1. Three school evacuation drills to address and prepare students and school personnel for fire incidents. One of these three drills shall require the participation of the local fire department or Cooperative.
2. One bus evacuation drill.
3. One severe weather and shelter-in-place drill to address and prepare students and school personnel for possible tornado incidents.
4. One law enforcement drill to address a school shooting incident.

Annual Review

The Board or its designee will annually review each school building's emergency operations and crisis response plan(s), protocols, and procedures, as well as each building's compliance with the school safety drill plan. This annual review shall be in accordance with the School Safety Drill Act (105 ILCS 128/) and the Joint Rules of the

Office of the State Fire Marshal and the Illinois State Board of Education (29 Ill.Admin.Code Part 1500).

Carbon Monoxide Alarms

The Executive Director or designee shall implement a plan with the Cooperative's local fire officials to:

1. Determine which school buildings to equip with approved *carbon monoxide alarms* or *carbon monoxide detectors*,
2. Locate the required carbon monoxide alarms or carbon monoxide detectors within 20 feet of a carbon monoxide emitting device, and
3. Incorporate carbon monoxide alarm or detector activation procedures into each school building that requires a carbon monoxide alarm or detector. The Director or designee shall ensure each school building annually reviews these procedures.

Lead Testing in Water

The Executive Director or designee shall implement testing for lead in each source of drinking water in school buildings in accordance with the Illinois Plumbing License Law and guidance published by the IDPH. The Executive Director or designee shall notify parent(s)/guardian(s) about the sampling results from their children's respective school buildings.

Emergency Closing

The Executive Director is authorized to close school(s) in the event of hazardous weather or other emergency that threatens the safety of students, staff members, or school property.
